- **10:00 – 11:00** 'Break the ice!'
The session is for secondary school teachers, who want to start the school year in an interesting and effective way. First lesson in September always tends to be a bit tense due to a simple fact that children grow fast and summer is a whole life for them. As a result they come back to school with a new look and state of mind. The most useful tool for starting communication from the very beginning and getting acquainted again is an ice-breaker! During the session we will look through different types of ice-breakers which will perfectly fit into any lesson plan of a secondary school teacher.
- **11:00 – 11:30** Перерва. Книжкова виставка.
- **11:30 – 12:30** 'Listening is a life skill'
Every day we listen to different things and we seem to automatically know how to listen and what to expect, especially if it is in our native language. However, when learning a foreign language, listening comprehension is far more difficult. In the course of this session we will look into different aspects of dealing with listening comprehension in class and tips on how we can help students develop this skill effectively.
- **12:30 – 12:45** Підбиття підсумків семінару. Вручення сертифікатів. Розіграш подарунків від видавництва.
